ATTENDANCE

Absences and Tardiness

DAS recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. Also, you need to be very aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Excused Absences

DAS accepts only the following as excusable reasons for absence from school. **Parents or guardians must call the school in the morning, any day their child is not attending. The excuse shall also be submitted in writing to the school office and filed as part of the student's school record, once the child returns to school.** An excuse for absence from school may be approved for one or more of the following reasons or conditions:

- **Personal Illness:** Personal illness of the student or when attendance in school would endanger the health of the student or the health of others is excused. Upon the student's return to school, appropriate medical documentation is required within three days of the absence(s). Parent or guardian must call the school each morning the student is home ill. When student returns to school, they must bring an explanatory note from their parent or guardian or it will be an unexcused absence. The school may require a doctor's confirmation if the student has 3 or more medical excused absences.
- **Serious Illness or Death in the Family:** Serious illness or death in student's immediate family necessitating the absence. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as an excused absence within three days of the student's return to school. Parent or guardian must call the office to explain the situation and estimated time of absence. When student returns to school, they must bring an explanatory note from their parent/guardian or doctor.
- **Legal Requirements:** Court order by a governmental agency mandating the student's absence from school is excused. Parent or guardian must call the office to explain the situation and estimated time of absence. When student returns to school, they must bring a copy of the court order documentation.
- **Special or Recognized Religious Holidays:** Special or recognized religious holidays observed by the faith of the student. Parent or guardian must call the office to explain the situation and estimated time of absence. When student returns to school, they must bring an explanatory note from their parent/guardian.
- **Weather or Environmental Conditions:** Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. Parent or guardian must call the office to explain the situation and estimated time of absence. When student returns to school, they must bring an explanatory note from their parent/guardian.
- **Financial or Other Conditions:** Other absences to be determined by, and at the discretion of, the Principal may be excused.

Unexcused Absences

An unexcused absence is a part of a student's school record. Students will be marked for an unexcused absence for:

- **Failure to Attend School:** Failure to attend school, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused absences will be considered an unexcused absence.
- **Out of School Suspension:** School days missed as a result of an out of school suspension shall not be counted as unexcused for the purpose of determining truancy. DAS allows students who miss school for an out of school suspension to make up any work missed (*refer to the section Make-up Work for Excused Absences*).

School Tardy

A student is tardy when he/she arrives at school after the beginning of the official school day or is not in the assigned class at the official beginning of the class period.

- **Excused Tardy:** Late arrival to school as a result of reasons defined herein as excused absences or as a result of events physically out of one's control such as inclement weather, documented transportation delays, health related emergencies, power outage, compliance with court order shall be considered excused tardy if the sign-in procedure is followed. Students who arrive late to school must have their parent(s)/guardian(s) come into the school office to sign the student in as tardy and provide the reason for the tardiness. For carpools arriving late, the driver responsible for the carpool that day must come into the school office and sign in each student as tardy and provide the reason for the tardiness. Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class.
- **Unexcused Tardy:** Arriving late to school with or without the knowledge of parent/guardian, as a result of reasons such as oversleeping, car problems, traffic, baby-sitting, athletic workouts, or socializing, is considered unexcused. If the sign-in procedure is not followed the student(s) will be marked as unexcused tardy regardless of the reason for the tardiness.

Habitual School Tardy

3 Unexcused Tardies in One Quarter (9 week period)	1st Offense: Formal letter home advising parents/guardians of tardies and explanation of next offense
4 Unexcused Tardies in One Quarter (9 week period)	2nd Offense: Contact with administration to determine future strategies for timeliness
5 Unexcused Tardies in One Quarter (9 week period)	3rd Offense: Student removed from clubs until tardies subside

Students who are unexcused tardy more than five (5) times in a calendar month or ten (10) times in a 90-calendar day period **will be referred to the school social worker.**

Class Tardy

Students are expected to be in their assigned seats when class begins. If a student has checked in late through the Front Office, the student should have a "**tardy slip**" to class from the Front Office. Repetitive tardiness will result in student receiving disciplinary consequence based on the **Minor Violation Discipline Cycle**. One conduct point is assigned for each tardy up to three tardies per week. Thereafter, each tardy will be assigned two points.

*conduct point system pertains to 2nd-8th grade campus only

Class Cuts/Skipping

A class cut occurs when a student is absent from class for more than 5 minutes without permission from the teacher or authorization from the office to do so. Students who become ill or need to see a counselor or administrator during class time should first report to class to obtain permission to be excused and receive a written pass from the teacher. If a student is too ill to report to the office, he/she should have another person notify the office at once in order that appropriate attention may be given to the student.

Make-Up Work for Absences – Excused or Unexcused

An excused or unexcused absence from school, even for several days, does not remove any student from responsibilities in the classroom on the day they return to school. Students who have been absent will be given the same number of days that they were absent to make up missed work.

Assignments and class handouts may be available on DAS Connect and are available 24 hours a day – should a

student be absent for any reason, advised to refer to DAS connect. Teachers outline detailed make up work policy for each class in their syllabus. Long term assignments given prior to a student's absence will be due on the original due date or upon the student's return to school. For students who have been absent, make-up tests will be scheduled at a time designated by the teacher.

Students who participate in International or Out of State Competitions **may** be excused or granted extended time for submission of the assignments that are given on competition days.

Early Checkouts

Being removed from class and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student.

- To be considered "in attendance" for a school day, a student must be present for at least one-half of the school day. Students leaving school before meeting that requirement will be considered absent for the day.
- A parent or legal guardian should bring appropriate documentation showing the necessity of an early checkout at the time the student is released from school.
- **Early checkouts are not permitted during the last 30 minutes of the school day.**

Truancy

A habitual truant is one who has had at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period. Truancy shows a deliberate disregard for the educational program and is considered a serious matter that will have immediate consequences. If you are truant, no credit will be recorded for work you missed as a result of truancy. If requested, provide documentation of illness from a physician or public health unit within 48 hours. The maximum number of days that a student may be absent without acceptable documentation justifying the absence is five (5). If school personnel finds that a pattern of nonattendance is developing, whether the absences are excused or not, the school may decide to implement the following interventions:

- **After 1 absence:** The parent/legal guardian will be contacted by a member of the main office.
- **After 3 absences:** The parent/legal guardian will be contacted by the child's homeroom teacher.
- **After 5 absences:** A three-day warning letter is hand delivered to the family. The student will be referred to the school's Child Study Team (CST), appropriate interventions will be determined, and the attendance records will be documented.
- **After 7-10 absences:** A parent conference is scheduled for the next CST meeting to discuss the student's chronic absences. The progress of the interventions will be discussed.
- **After 15 absences:** The student will be referred to the Truancy Intervention Program (T.I.P.). The school will continue to provide interventions and try to re-engage the student in school.
- **After 15-20 absences:** The school's designated social worker will make a home visit. Interventions will continue by the school.

Exemplary Attendance

Students are recognized if they attend school at least 95% of the days each quarter. We recognize that perfect attendance is often an unreasonable goal for students with medical conditions.

CODE OF CONDUCT

Conduct Information

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline a close, cooperative relationship must exist between the home and the school. It is our goal to provide close communication with parents at the onset of discipline problems, so that together we can find alternatives for students and they can experience success in relationships at home and school.

For this discipline program to be successful, students must make choices for themselves and **be responsible for their own behavior as well as for their academic performance**. Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons, involved in committing, planning, participating, helping, advising, encouraging, or benefiting in the violation of a rule or code of conduct are parties to the violation. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

Responsibility for Individual Actions or Choices

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional. Often harm caused to other persons or their possessions is unintentional, or the result of careless behavior. This, however, does not excuse or diminish the personal responsibility of the student (and/or his/her parent/guardian) to make appropriate restitution. When known and verified by an administrator, any harm caused to another will be reported to parents. **Neither DAS employees nor the Governing Board assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.**

DAS has as its goal to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the DAS administrators and teachers shall not allow inappropriate, distracting, or disorderly behaviors to occur during school, on school property, or at any school-sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the School Board for expulsion.**

Our goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. DAS takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. Weapons, drugs and gang activity will not be tolerated. Students, who violate DAS rules, or State laws related to these offenses, will be suspended or recommended for expulsion from school. Violators will also be reported to police and may be arrested. These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops, and other sites used for school-sponsored activities.

Minor Violations Discipline Cycle for Kindergarten-1st Students

Minor violations in or outside of the classroom will be handled by teacher or adult supervising at the time of a violation. Consequences to minor violations could include but not limited to; daily behavior color change, withholding of privileges, cafeteria warning 'red slip', parent contact, administrative contact and individual behavior plans could be created.

Teachers, in response to **minor** violations in or outside the classroom, will take the appropriate steps on the **Minor Infraction Form** when students fail to abide by the established behavioral expectations. Once students reach 3 minor violations for continued misbehavior or interrupt the instructional environment the teacher will complete a **Discipline Referral Form** and send the student to the Dean of Student's Office.

Parents will be contacted via email or phone call regarding the behavioral violation. Parents will also be informed of the assigned consequence for administrative detention, ISS, OSS or other disciplinary actions. A copy of the completed discipline referral form will be sent home.

Minor Violations Discipline Cycle for 2nd-8th Students

Minor violations in or outside of the classroom will be handled by the issuance of Conduct Points. Students' violations will be recorded by the teachers or other staff by help of a computerized Conduct Log system. In addition to conduct point system, teachers also document behavior violations on an **Infraction Form** and may contact the parents as necessary. **Conduct points** can be given anywhere in the school by any school employee. Parents and students will have online access to the recorded information on

DAS Connect. Administration will review the recorded Conduct Log weekly and assign consequences as follows:

1 - 3 conduct points/week	No consequence assigned.
4 conduct points/week	Warning letter
5 – 6 conduct points/week	Lunch Detention
7 – 9 conduct points/week	Administrative Detention
10 – 15 conduct points/week or more	In School Suspension (I.S.S.)
16 or more conduct points/week: Referral Form for not following school rules	Consequence based upon Class II Offense

Parents will be contacted with an e-mail or a letter sent home with the student, or the U.S. Mail(if needed), regarding the assigned consequence for administrative detention, ISS, OSS, and disciplinary referrals.

Teachers, in response to **minor** violations in the classroom, will take the appropriate steps on the **Minor Infraction Form** when students fail to abide by the established behavioral expectations. Should misbehavior continue or interrupt the instructional environment the teacher will complete a **Referral to the Dean of Students Form** and send the student to the Dean of Student’s Office

MAJOR VIOLATIONS DISCIPLINE CYCLE

Major violations (Class II-IV) of the student code of conduct result in a Referral to the Dean of Students Form. The referrals are investigated, and consequences are assigned by the administrator. Parents are notified of the consequences by either phone call, notice letter sent by student, or phone call. Assignments of consequences are progressive. In general, each disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have higher consequences if committed at a higher cycle step.

Consequence ranges on the Major Violation Discipline Cycle cover most of the major violations. However, it cannot cover all possible examples for violating the listed offenses. Therefore, the school administration may impose consequences that are not listed if warranted by individual circumstances. Any item that is deemed unsafe, inappropriate or hazardous to persons or property may be confiscated by school personnel. Offenses not covered by the Discipline Cycle are handled by the school administration in accordance with federal and state laws in a manner consistent with the Charter Schools Act. Also, at the discretion of administration heavier or lighter consequences may be assigned if warranted by individual circumstances.

Intermediate Violations (Class II Offenses)

Intermediate acts of misconduct are more serious or disruptive examples of the offenses in Class I. Class II also includes repeated acts of misconduct from Class I and acts directed against people or property that do not seriously endanger the health or safety of others. The misconduct must be reported to the appropriate school administrator for disciplinary action.

Major Violations Class III Offenses

Class III infractions are major acts of misconduct. They include repeated misconduct acts from Class II; serious disruptions of school order; threats to the health, safety, and property of others; and other acts of serious misconduct. The misconduct must be reported right away to the school administrator, who may remove the student from the school or activity immediately.

As a safety precaution, DAS reserves the right to search a student's purse, backpack, and any other personal possessions brought onto the school's property. Searches may take place if there is a reasonable suspicion or belief that the personal item may contain drugs, alcohol, weapons of any kind, contraband, or other items not permitted to be at school; as well as the reasonable suspicion that the personal item may contain property of the school or another student.

Threat Assessments

DAS, in conjunction with Pinellas County Schools guidelines, follows a strict protocol when it comes to assessing threats made by students. If a student makes a direct threat towards another student or staff members life we are legally obligated to immediately notify the Pinellas County Sheriff's Office (PCSO) and will do so everytime, even in the case of casual threats made as jokes or "transient" threats. The DAS threat assessment team, in conjunction with PCSO, will then conduct a thorough threat assessment of the situation and the student. PCSO will also conduct a background check on the student and their family and may determine that they need to search the student's home. This entire process is implemented out of an abundance of caution to protect our students, staff and families.

Students can use their Tiger Bucks to purchase rewards of their own choosing at the DAS School Store. Some of the **School-Wide Rewards** available for purchase using the Tiger Bucks will be, but are not limited to:

- **Dress Down Days and Popcorn Days** – these will be scheduled by Dean of Students. Eligibility for participating in these **Dress Down Days** is based on receiving no disciplinary referrals, Lunch detention, Administrative detention or ISS due to excessive

conduct points. Students participating must follow the DAS guidelines listed under the section Dress Code.

- **Special Activities** – Students who receive commendations will be eligible to participate special activities such as, breakfast/lunch with principal, teacher vs. student sport games, character camps and field trips etc.
- **Tangible Items**- these are items which the students can purchase with their *Tiger Bucks*. These items include but are not limited to pencils, erasers, notebooks, water bottles, stickers, and select school spirit items.

Designing such reward activities at school is intended to encourage students to be responsible and make right choices. Creating and maintaining a positive school environment where students are recognized for their contribution to their community and excellence in positive behavior, nurtures student’s social emotional and academic well-being.

Student of the Month

Students who have not received conduct points, lunch detentions, or referrals and are observed exhibiting **“above and beyond”** expected behavior during each month are nominated by his/her teachers to receive the ***Student of the Month Award*** for excellence in behavior.

INSTRUCTIONAL PROGRAM

DAS curriculum is guided by Pinellas County Public School and the FDOE curriculum/guidelines. In order to provide an excellent elementary school education, as outlined in our mission statement, DAS enhances the basic Pinellas County Public Schools curriculum whenever possible. If you have a specific question, please contact the Principal. Additional curriculum information can be found on our website: www.discoveryacademy.info under the “academics” tab.

Cheating and Plagiarism

Cheating and plagiarism are deceptive choices made by students to misrepresent the student’s true knowledge of the subject material (cheating) or misrepresenting information as their own ideas/concepts/words by not giving proper credit to the original source (plagiarism).

All papers or projects submitted at DAS are required to be in the student’s own product unless stated in writing by the teacher otherwise. Therefore, copying of information from the Internet or any other source (i.e. “cutting & pasting”, etc.) , without reference, is considered plagiarism. However, drawings and/or pictures may be taken from an Internet or other source as long as they are properly cited in the document.

Cheating and plagiarism demonstrate a deliberate disregard for the educational program and are considered a serious matter. Students who cheat or plagiarize will immediately be given a zero on the assignment/project and referred to the administration using a ***Referral to the Dean of Students.***

Conferences

Parents and teachers should maintain a good working relationship to help students obtain the best possible education. Conferences are good communication tools. Our most important form of communication is the parent-teacher conference. Parent-teacher conferences are scheduled at least once per semester – check the school calendar for the specific date. Additional conferences may be requested at any time during the school year. If you would like to have a conference with any staff member, please contact the school and arrangements will be made.

Parent-Teacher Partnership

DAS values parents as vital part of a child’s education. Parents influences children’s attitude about learning and support their education at home. Additionally, research shows that parents’ engagement in child school and parent-teacher partnership promotes students’ educational outcomes. Therefore, parents and teachers should maintain a good working relationship to help students obtain the best possible education.

In order to create a strong parent-teacher partnership, we expect our parents to

- Let your teacher know about your child; strengths, interests, study habits, your and your child’s short and long term goals.
- Stay on top of your student’s progress via DAS Connect and attend school-wide events like parent teacher conferences (PTC), parent university events, award ceremonies etc.
- Like every relationship there will be times that you disagree with your child’s teacher but
 - ✓ Be positive in your communications with your teacher
 - ✓ Create a problem-solving relationship; contact your teacher first for questions, suggestions or concerns before reaching out

to the administration.

- ✓ Avoid making negative comments about your teacher when your child is around. Making negative comments about any school personal, especially about your teacher(s) will cause your child to lose respect toward them and eventually affect him/her academically and behaviorally.

Parents are knowledgeable about rules and routines at home, while teachers are knowledgeable about classroom expectations. So, parents and teachers share responsibility for solving problems at home and school. They communicate clear goals, strategies and expectations to students and work toward the same outcomes.

DAS CONNECT

Parents can see their children’s academic improvement, daily homework and assignments, projects, discipline records and attendance records through DAS Connect. At the beginning of each school year, parents will be provided a username and password, which will provide access to ONLY their student’s records. We strongly encourage parents to visit DAS Connect daily to stay informed of their student’s progress.

Grading Scale

Academic Grading Scales Kindergarten - Grade 1	Grades 2 – 8
E = Excellent	A = 90-100
V= Very Good	B = 80-89
S = Satisfactory	C = 70-79
NI = Needs Improvement	D = 60-69
U = Unsatisfactory	F = 59-0

Grading System & Reporting

Students receive progress reports every 5th week of each 9-week grading period and report cards every 9 weeks. Final grades for core academic courses are received at the end of each 9-week period. Parents should contact their child’s teacher if there are any questions concerning grades recorded or information contained on the child’s report card. The DAS Governing Board, in compliance with State Standards, approves the grading scale. Grades are reported numerically on all progress reports and report cards except the end of year report card. Letter grades are reported on end of year report cards. Any grade below 60 is failing.

Homework Policy

Homework is an essential part of your successful educational program at DAS. Completing homework will assist students in developing valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers assign homework that will foster individual learning and growth, and that is appropriate for the subject area. Homework is part of all students’ regular evaluations. It is each student’s responsibility to complete and turn in homework on time – if it is not, a grade of zero may be given at the discretion of the teacher.

Teachers post each homework, directions for completing the homework and a printable copy of the homework on DAS Connect. In case of conflict regarding homework assignments the teacher’s record is final. If students or their parents have questions about homework parent should attempt to obtain the copy and directions of completion from the DAS connect and must communicate with teacher prior to contacting to school administrator in regard to grades and other issues related with homework. Teacher’s e-mail is available and daily assignments are posted on DAS Connect on our web site: www.discoveryacademy.info.

Preparedness for Class

Students must bring the needed materials, described in the course/teacher syllabus, to class each day. Failure to do so may result in conduct points. Students who repeatedly receive conduct points for unpreparedness for class will be given appropriate consequence within the discipline cycle and may receive a Referral to the Dean of Students for failure to follow school rules.

Note: Students who have lost their textbook will be permitted to use a text during classroom instruction however, they will not be permitted to take the text home for homework purposes (*refer to TEXTBOOKS section*).

Promotion and Retention of Elementary Students

At the end of each academic year students who have made satisfactory progress in academic subjects are promoted to the next grade level. DAS will follow Pinellas County Public Schools Student Progression Plan for elementary/middle schools where applicable.

Recognition

Students are recognized on a regular basis and rewarded for accomplishments. Outstanding student achievement, grades K-8, will be recognized each semester in three distinct categories:

- **Principal's Honor Roll** - students achieving a weighted academic average of 94.5 or above in all subjects. For K-1 all excellent in announced grading period.
- **Honor Roll** - students achieving a weighted academic average of 89.5 to 94.4 in all subjects. For K-1 all excellent only one very good in announced grading period.
- **Achievement Roll** - students achieving a weighted academic average of 85 to 89.4 in all subjects. For K-1 all excellent only two very good in announced grading period.

Calculations are carried out up to one decimal point, and standard rounding rules are applied. Connection classes and core classes have different weights.

Schedule Changes

Student's schedule is carefully planned and developed based on the student's ability and academic strengths. Modifications to the student's schedule can only be made if requested by the student's parents within the first two weeks of the school year via email to the Asst. Principal of Instruction or Campus Administrator (for south campus). Any requests made after the first two weeks may be deemed as disruptive to the regular routine, and therefore, may not be honored.

Although parent's requests are diligently addressed, the schedule or class change may not be granted due to scheduling conflict and or/not having available spot in the requested course or class. The final decision will be made by the Principal.

Advanced Class/Course Placements

DAS closely monitor students' progress throughout the school year. At the end of each school year, the administration meets with each classroom and subject teachers to review students' year-long academic and behavioral performance. While evaluating student progress, student's work habit, motivation, attendance, attitude towards himself/herself and others are as important as his or her academic excellence. Thus, when making classroom placements, DAS takes a student as a whole and make appropriate class/course placement where a student may reach his/her highest natural potential.

Followings are academic and motivational characteristics criteria for the advanced class/course placements:

- FSA achievement score of 4 or 5 (for grades 3 and above)
- At or above the 80th percentile average for fall, winter, and spring NWEA Map Test for Reading and Math test
- Each grade level may have a different threshold score for the MAP testing.
- Minimum B average on current grades
- Teacher Recommendation

Students who are enrolled in advanced classes or course(s) are expected to consistently exhibit excellent academic progress, work ethic, and motivational characteristics such as:

- Respects self and others
- Highly self-motivated and persistent
- Needs minimal external motivation to follow through in work completion
- Often requires little directions from teachers
- Enjoys complex concepts and applies his or her knowledge when solving problems
- Enjoys tasks that are more challenging than average
- Has a ready grasp of underlying principles and can quickly make a valid generalization about events, people, and things
- No major discipline problems that hinder self or others from learning

Being in an advanced classroom or course(s) does not guarantee that the student will be placed in advanced class or course(s) next year. Teachers and administrators will review the student progress together at the end of each school year and those who do not meet the advanced class/course criteria due to poor work ethic, discipline, or academic progress may not be placed in the advanced class next year.

Textbooks

Textbooks for students are furnished by DAS. Restitution for lost and/or damaged textbooks or related materials and supplies will be required BEFORE a second text or additional materials will be made available to a student. Students who owe money for lost or damaged texts or materials will be permitted to use a text during classroom instruction; however, they will not be permitted to take the text or materials home for homework purpose. Report cards and FSA score cards may also be withheld until textbooks fees are collected.

DRESS CODE

Discovery Academy of Science Uniforms

Discovery Academy of Science is a school of choice, which means parents of our students have made a careful and committed decision about where to send their child. Students are always expected to wear the DAS uniform, and to dress and groom themselves in such a way as to reflect neatness, cleanliness, and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The principal or other duly authorized school official shall determine whether any mode of dress, grooming and accessories is in violation of the spirit and/or the intent of the school's dress code policy. Students and parents are expected to honor the uniform code in order that valuable school time is not spent examining student attire to determine appropriateness. *Students are not permitted to change out of their uniforms during or after school unless participating in P.E. or an after-school activity that requires non-uniform clothing.*

Dress Code Violation

Administration will determine the appropriateness of the dress. Parents choose DAS because we set higher standards in all aspects of the educational environment.

- **First offense:** A Dress Code Violation notification/warning is sent home. This must be signed and returned to the student's teacher the next day. If the violation is deemed severe then the office staff may provide the student with a uniform for the day, or the office staff will contact the parent to request a new uniform be sent to the school.
- **Second Offense:** Conduct points are assigned to the student as described on page 12 on the *Student and Parent Handbook*. If the violation is deemed severe then the office staff may provide the student with a uniform for the day, or the office staff will contact the parent to request a new uniform be sent to the school.
- **Third Offense:** The student will be referred to the Dean of Students office. The student will be required to call home regarding the dress code violation and parents will be expected to provide an appropriate change of clothing for the student that fits within the DAS dress code policy. The student will be isolated from the classroom for the remainder of the school day until he/she is in proper uniform.

Guidelines for clarification are as follows:

1. Uniforms must always be worn properly while at DAS:

- a. Students must be in complete uniform when they arrive at DAS. All shirts must be tucked in shorts, pants, or skirts. Belts must be worn with all pants and shorts, or the student's pants must have a sewn in or attached band which can be tightened to prevent the pants from falling below the waistline. Uniforms are expected to remain intact and appropriately worn throughout the entire day at school.
- b. Students must remain in full uniform until after they leave DAS. Shirts must remain tucked in even after school, until they leave the school campus. This includes club times and waiting in the dismissal areas.

These clothing options can be either short sleeve or long sleeve. All shirts must always be tucked in (able to see the belt/waistband) to the short, pants, or skirt the student is wearing. If the student chooses to wear any of the items listed above except the polo, the student should still be wearing another DAS shirt underneath. Clothing items will not be permitted to be worn (tied) around the waist. **Hoods on jackets or sweatshirts are not permitted to be worn over the student's head while in the school building.**

3. Pants or Shorts:

- a. Pants or shorts must be either khaki or navy blue in color. All pants and shorts must have belt loops, and a belt must be worn through all the loops and fastened appropriately. The belt must also be tightened enough to prohibit the student's pants or shorts from sagging below the hips. Large, decorative, or elaborate belt buckles are not permitted.

SERVICES FOR STUDENTS

After School Activities & Clubs

Several extra-curricular clubs and/or enrichment activities are offered for students. A brochure describing these activities by request. Nominal fees may be charged for participation in order to cover the cost of materials and/or supplies. There is no better way for students to enrich their education than by taking part in clubs and after-school activities or through working with a teacher. These opportunities will allow you to explore things you already enjoy and to try other areas that sound interesting.

In order to participate in any after school extra-curricular activity, including music performances, plays, etc., students must arrive in time to be counted present during the school day. **Students serving in-school suspension may not participate in after school activities on the day(s) the suspension(s) is served.** Students staying for after school activities will be expected to follow the following rules or they may be removed from their club or banned from all after school activities:

- You may not stay after school to wait for another student
- You must always be with a teacher or other staff member
- You must abide by the DAS Code of Conduct while participating in the activity
- Your school activity privileges will be cancelled if discipline becomes a problem
- You must clear the school building immediately following after-school activities
- You must arrange for your own transportation to arrive promptly at the end of the activity
- Written permission is required for use of DAS's facilities. Students are not allowed on campus unless supervised by a school employee
- Signing up for after school activities is required for each semester in order to be eligible to participate

After-School Care Program

The After-School Care Program is established to accommodate parents who cannot pick up their students at the end of the club period. Students will be hosted under supervision of an adult and will be able to read, study, and do homework during this time. The charge for this service is announced during the orientation day before the school starts. Monthly registration for discounted price will be available. Please check with school main office for registration. There are sibling discounts available and rates vary each year. Parents will be charged a fee for aftercare services starting at a designated time each day.

Afterschool care program is provided until 6:00 pm every day. **Regardless of the situation, we will call the local authorities and give them custody of the student after 6:30 PM.** Neither DAS nor the teacher assumes any responsibility for the welfare of the student. DAS provides before school care and supervision which starts at 7:00 am.

Communications Between School & Home

Every effort will be made to ensure good communication between the home and the school. Parents may communicate directly with the school's staff members via e-mail, voice mail, written request, or by accessing the school's web page. A softcopy of the newsletter will be sent home weekly via e-mail announcing upcoming school activities and events. Hardcopy version will be available at the end of each week in the front lobby of the school.

Field Trips

Field Trips offer exciting ways to learn. DAS students will have the opportunity to go on field trips at various times throughout the school year. Grade level and/or team sponsored day field trips are offered to most students. **Students who have received an out-of-school suspension (from DAS) during the school year, may not be eligible to participate in field trips for the rest of the quarter or the rest of school year per the Dean of Students' discretion and any fees or deposits paid earlier are non-refundable.** In addition, any student who has demonstrated the inability to follow rules may be prohibited from participating - this determination will be made by the administration on an individual basis. Any fees or deposits paid earlier are non-refundable. Students may also be banned from attending any field trip for the remainder of the school year if they demonstrate the inability to follow school rules on previous field trips or school-related activities. For all field trips, you will be expected to follow these rules:

- You must abide by the DAS Code of Conduct and Discipline Plan while on the field trip.
- You must follow the DAS Dress Code, wearing the uniform unless otherwise specified.
- You must bring to school the **Field Trip Permission Slip**, signed by your parents or guardian, by the specified date. No phone calls or e-mails will be accepted as permission.

Field Trips and Early Sign-Outs

Students may only be signed-out early from a field trip if there is an extreme emergency situation that deems it necessary. The parent must get permission from the Principal or Dean of Students to do so.

School Sponsored Activities

From time to time, D.A.S. administration may organize or sponsor off-campus activities. Unless otherwise specified by the administration, all school rules are in effect in any such school sponsored activity. Eligibility to participate in such programs and specific policies will be determined and announced by the administration as needed.

Lunch/Nutrition Program

Students may purchase a nutritional lunch in the school cafeteria or may bring their lunch from home. The cost for student lunch is announced at the beginning of school. Parents may pre-pay and add credit to their student's lunch account. Students may purchase milk, and other nutritional beverages at school. Students needing free or reduced lunch should contact the administration. DAS students are not permitted to use the school microwaves.

Home Visits

Researches show that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen relationships between parents, teachers, and students. Home visiting programs are an effective way for teachers to get parents involved in their child's education and to let parents and children know how much they care. Therefore, DAS encourages teachers to visit their students at their homes.

Multi-Tiered Support System Team(MTSS)

The purpose of the multitiered support system team (MTSS) is to identify and plan alternative instructional strategies for students who are experiencing academic, social, or behavioral problems. The MTSS team is a committee consisting of the referring teacher, the chairperson, and at least one other participant. Parents are invited to attend the MTSS process regarding their child. The MTSS process provides problem-solving strategies and instructional support for teachers and parents. Questions concerning the referral process should be referred to the appropriate grade level administrator.

Exceptional Student Education (ESE)

Discovery Academy of Science employs ESE and Gifted Teachers to provide consultation services to classroom teachers who serve special education students, as needed. DAS shall comply with federal and state law to ensure that all students with disabilities are provided with a free appropriate education (FAPE).

School Pictures

A contracted photographer/company will photograph students in the school during the fall and spring semesters. Families will have the opportunity to purchase pictures through the contracted company.

Transportation to and From School

Car Riders

Students who are transported in cars should be dropped off in the designated area of the school. The earliest drop off time is 7:00 am for students that have paid for morning care. The earliest drop off time for all other students is 7:30 am. DAS takes no responsibility for students who are dropped off before 7:00 am. **Students are not allowed to be dropped off before 7:30 am unless they have paid for morning care.** When picking a student up at dismissal time, please use the appropriate lane assigned. DAS employs a designated person or a Police officer to direct the traffic. Your cooperation with this person is expected in order to make arrival/dismissal as safe and efficient as possible. Students should not be dropped off later than 7:55 am each day. Failure to do so could result in a student being marked as tardy.

Walkers

D.A.S. takes no responsibility for student walkers.

Skateboards, Roller Blades, and Scooters

Skateboards, roller blades, and/or scooters, are not permitted on school property without written consent from the parent/guardian and approval from the principal.

Bicycles

Bicycles are permitted on school property. However, a student must park their bicycle in the designated area only.

HEALTH AND SAFETY

Illness and Injury

DAS may have part-time school clinic personnel or a first-aid-trained-professional available to discuss or assist with medical problems or concerns. If a clinic personnel is not available, students should report to the secretary. If students do not inform the office and simply miss class, it is an unexcused absence.

Over-The-Counter Medications

Aspirin, Tylenol, and other patient over-the-counter drugs are not available through school. Should you wish for your child to have access to these medications, you must provide a doctor's note.

Medication Policy

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

The medication to be administered by designated school personnel must be sent directly from the pharmacy or physician's office or brought to school by the student's parent/guardian. The school must receive an **In-Program Medication Administration Form** signed by the student's physician and parent/guardian.

The following information must be printed clearly on the medication container:

- Student's Name
- Name of the medication
- Dosage
- Time the medication must be taken

Bring in only the amount of medication that is needed for a school day. In the case of prolonged need, send in the amount for a clearly specified period such as one week or one month. Extra medication will not be sent home with a student. All medication will be kept in a secure location in the clinic.

Self-Administration of Medication

As a rule, students are not allowed to carry any medication with them in school. However, students may carry and administer their medication if **both of the following conditions are met:**

- It is warranted by a potentially life-threatening condition and advised by their physician AND
- An **In-Program Medication Administration Form** is on file in the office signed by the student’s parent, the physician, and the principal.

Wellness Policy

In accordance with federal guidelines for schools providing the Federal Free & Reduced Lunch Program, DAS has established a Wellness Policy which is designed to promote the daily awareness regarding good nutrition and physical health. School employees, parents and students are required to comply with this policy when considering special events, parties, field trips and other activities involving students and refreshments. The Wellness Policy is available for review on the DAS website.

GENERAL INFORMATION

Dispute Resolution

Any dispute/conflicts between DAS and sponsor will be resolved per charter contract signed by DAS governing board and PCS board.

Governing Board

DAS holds quarterly governing board meetings each fiscal year. Board meeting dates are posted at school website www.discoveryacademy.info and school office.

Parents who would like to have an agenda item placed at the governing board meeting should contact DAS Governing Board Parent representative Emre Akbaba at 727-330-2424 or via e-mail at eakbaba@discoveryacademy.info

Announcements

Official announcements are provided on our website – www.discoveryacademy.info - and in our weekly newsletter. As a common practice, announcements made by the administration, which affect the school community, are made through these two communication devices. DAS encourages parent(s)/guardian(s) to check our website on a regular (daily) basis. The Governing Board, Administration, Teachers and Staff at DAS are dedicated to keeping our community informed.

Book bags, Backpacks, and Purses

Students may use a Book bag/Backpack/Purse to transport school materials necessary for their learning experience to and from school. During the school day, however, DAS requires that all book bags remain in the student cubby, on the book bag wall hook, student locker or in the designated classroom location. Bags may not be worn or carried during the school day.

Cellular Telephones/Smartwatches/Electronic Devices

Although students are permitted to bring cell phones and smartwatches to school, it is not encouraged. If a student brings a cell phone or smartwatch to school, it may not be used inside the school building without permission from D.A.S. staff. The cell phone or smartwatch must be turned off before entering the school building and immediately placed in the student’s book bag and in the student’s locker. Students may not carry the phone with them during school hours (i.e.: in their pocket, purse, etc.) or wear the smartwatch during the school day. Students shall not use them, display them openly, or leave them in the “on” position during regular school hours. If student is scheduled for an after-school activity, including but not limited to clubs and tutoring, their cell phone shall and/or smartwatch be kept off until such activity is over. Cell phones and smartwatches must be turned off and must be in book bag during the school hours. The policy applies to any type of use, not just voice calls.

Cell phones and smartwatches may not be used during the school day to take photographs or to send or receive text messages. Students should check their cell phone and/or smartwatches before entering the building and make sure that it is in the “off” position. Students who are found in possession of a cell phone or smartwatch shall have the item confiscated by the resource officer or school administrator. The cell phone or smartwatch will only returned to the student directly the first time and then after that directly to the parent/guardian.

If a parent/guardian cannot pick them up items may also be shipped to a home address provided that the shipping charges are prepaid by the parent. This rule applies but is not limited to other electronic devices such as Digital Cameras, PDA’s, blackberry, Mp3/Mp4 player, IPod, Itouch, iPad, radios, and electronic reading devices (Kindle, Nook, etc.).

At no time shall DAS be responsible for theft, lose or damage to cell phones, smartwatches or other electronic devices brought onto its property.

Metal Detectors & Scans

In accordance with Pinellas County Public Schools procedure, periodic scans with a metal detector may be conducted throughout

the school. A plan will be established prior to the scanning to ensure randomness. A report of the scanning process will be documented and submitted to the Principal.

Corrections and/or Modifications to This Handbook

DAS reserves the right to make changes or modifications to this handbook as needed throughout the school year. Changes or modifications made during the school year will be announced in the weekly newsletter. The latest version will always be available on our website at www.discoveryacademy.info

Definitions and/or Interpretations Used in This Handbook

For purpose of clarity, many terms and situations have been defined or explained in an effort to explicitly determine the exact meaning or context. The DAS administration will determine and apply specific definitions and interpretations where necessary to provide maximum security, safety and educational opportunities for DAS students. No other definition or interpretation, nor any other source may be used or applied to terms or situations described within this handbook.

Emergency Drills

Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in an emergency. These drills will include fire, tornado, active assailant, and other crisis emergency drills.

Desks/Cubbies

Each student will be assigned a desk and/or a cubby for his/her individual use at DAS. All desks and cubbies are for storing books, coats, and personal items necessary for school. Students should not bring valuable items from home. DAS will not be liable for personal items brought to school. To keep school supplies safe, we strongly advise you to write your name on all belongings in permanent marker. Please remember that your desk is school property and always remains under the control of the school. You, however, have full responsibility for the neatness and security of your desk and what is in it. School officials may make inspections. No item considered dangerous by the administration may be kept in the desks and will be removed if found there. This includes glass or any other objects that may be potentially dangerous. **Students attending DAS should not expect privacy regarding the contents of their desks, cubbies, or other school property.**

Lost and Found

Personal items that are found should be turned in the designated Lost and Found box. Students should check the box for lost articles. Unclaimed items will be donated to charity every month after students are informed about the deadlines to check lost and found items. DAS is not responsible for items in Lost and Found.

Missing Items

When an item is missing, students should report the missing item to the front office. At that time, the student should complete a **Missing Items Form** which will permit the item to be returned to the owner should it be found or located. Should the owner find the item themselves or it be returned directly to them, they should notify the front office as soon as the item has been located.

Parent Participation

There are several opportunities at DAS which a parent/guardian can volunteer. Among these are jobs as library assistants, cafeteria aides, room representatives, and instructional partners. Contact the office for more information.

A critical component to the success of our charter school is the family involvement and volunteerism. All parents/guardians are encouraged donate a minimum of 15 hours per family to the school each year.

Payment by Check

Parents may take care of monetary obligations by cash or check. Checks should be made payable to DAS. There will be \$25 additional charge for any check returned to the school. We also offer online payment for more information please visit our website www.discoveryacademy.info . Parents can also make credit/debit card payments at main office.

Recording Devices – Audio or Video

DAS prohibits the use of audio or video recording equipment by anyone other than DAS staff or personnel on the DAS campus, within the school building, or at school sponsored events (on or off campus) without express written permission from the DAS Administration. Students found in violation will have their recording device confiscated and be given a **Referral to the Dean of Students Form** for unauthorized recording. Parents or non-DAS personnel found in violation will immediately be required to leave - if uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

Student Agenda / Hall Passes

Students must bring their agenda to school daily. Teachers will issue hall passes to students who have justifiable reasons for leaving the room. An agenda will be issued to each child for a fee.

It is the student's responsibility to maintain their Student Agenda in the original condition as it was issued:

The front and back cover must not be altered or removed - The front cover and back cover must remain attached, and must not be altered, cut, or damaged in any way.

Student & Parent Handbook may not be removed - The Student & Parent Handbook section must remain intact as a part of the Agenda so that students and parents may reference the school information and rules at any time.

Dated pages may not be removed - Dated pages must remain in the Agenda for student, parent, and administrative reference to past assignments, phone permissions given, and/or hall passes issued. Should a Student Agenda fail to meet these requirements, it will be confiscated, and the student will be required to purchase another Student Agenda.

Telephone Calls

Students may not be called from class to talk on the telephone during school hours, nor are they allowed to make outgoing calls except in the most necessary circumstances. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items. **Students may not use any phone at school other than an office phone – classroom phones are prohibited from use by students at any time.** The school does not have enough phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning.

Calls of an emergency nature, that may involve the interruption of a class to deliver a message to a child, must be directed to the principal for approval. **Students must have written permission from an administrator stating a reason in order to use the office phones between 8:00 and 5:00.** We ask that all students please come to school in the morning clearly knowing how they are getting home in the afternoon. We also ask that parents please know whether their children are planning to stay for an after-school activity.

Video or Audio Surveillance

DAS may use video or audio surveillance to monitor halls, classrooms and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Parents may request a viewing if any recording is used as evidence in a discipline case. Viewing requests by parents may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other grounds recognized in the Privacy Act. No other request of viewing may be honored. Approved viewings must be done in the presence of the principal or designate.

Visitors

All visitors must first report to, and sign in at, the main office and wear a visitor's badge before going to other parts of the building. Secretary shall conduct SOP database check via FDLE website for each visitor.

Classroom Celebrations/Parties

In order to ensure the safety of all students with allergies and other conditions and to minimize the disruption to the instructional environment, students and families are not permitted to bring in food for birthday celebrations. Student birthdays get recognized by their classroom teachers and in the morning announcements throughout the school year. There are also no food parties in general allowed in the classroom due to the reasons already stated and other safety concerns. At the discretion of school administration, classroom parties may be permitted for end of semester and end of school year celebrations. Throughout the year classrooms may also be recognized for celebrations with popsicle parties by the administration and this will be announced in the morning announcements.

Materials Distribution

DAS has a "closed forum" relative to the distribution of materials or posting such materials on school grounds or property. It is for this reason that flyers, brochures and/or other materials may not be handed out on campus prior to, during or following the school day. Unless it is approved by the administration, distribution, selling, ordering and consuming external food items or goods are prohibited, and will be confiscated.
